Summary

I'm a 2nd-year BCA student who genuinely enjoys digging into data to find what's actually going on. I've worked on projects ranging from stock management tools to Python games, and picked up freelance data annotation work to sharpen my real-world skills. I'm looking for an internship where I can contribute meaningfully, learn fast, and grow as a data professional

Education

Bachelor's in Computer Application — Aug 2024 - Jul 2027
Trinity Institute of Professional Studies

Projects

- Blue avalanche- basic stock management app
