Summary

I am a B.Tech Computer Science student at ABES Engineering College with a deep interest in building web applications. I have gained hands-on experience through multiple internships, including roles in full-stack development and data analysis. I enjoy solving real-world problems and have participated in various hackathons, such as the CodeStorm 2026 event.

Education

B.Tech in Computer Science & Engineering — jun 2024 -jun 2028
ABES Engineerng College, Ghaziabad

Projects

- Currently pursuing 3rd year of undergraduate studies.
- Focusing on Data Structures, Algorithms, and software development.

CV built on DBERT · lms.dbert.in — internships, jobs & industry certifications for students in India.
