Summary

I am a B.Tech Computer Science and Engineering student at B V Raju Institute of Technology with a strong interest in Full Stack Development and Artificial Intelligence. I have experience building web applications using Java, Python, React, Flask, and SQL. I am passionate about learning new technologies, solving problems, and developing real-world projects that create meaningful impact. I am seeking internship opportunities to gain industry experience and enhance my technical and professional skills.

Experience

Full Stack Developer Intern (Academic Project) — Jan 2026 – Present
B V Raju Institute of Technology

- Developed an AI-based food forecasting and management system.

Education

B.Tech in Computer Science and Engineering — Aug 2024 – May 2028
B V Raju Institute of Technology(NARSAPUR)

- Currently pursuing B.Tech in Computer Science and Engineering
- Focused on Full Stack Development and Artificial Intelligence
- Learning Java, Python, React, Flask, and SQL
- Active in academic and personal projects

Intermediate (MPC) — 2021 – 2023
TTWURJC(ZAHEERABAD)

- Completed Intermediate with Mathematics, Physics, and Chemistry
