Summary

I am a B.Tech CSE (AI/ML) student passionate about software development and problem-solving. I have built web development projects using HTML, CSS, JavaScript, React, Python, Flask, Firebase, and SQL. I enjoy learning new technologies, solving DSA problems, and contributing to real-world projects while continuously improving my technical skills.

Experience

Web Development Intern — Jun 2026 – Present
DBERT Labs

- Built responsive web pages using HTML, CSS and JavaScript.
- Worked with Git and GitHub for version control.
- Collaborated with mentors and team members.
- Improved problem-solving and debugging skills.

Education

B.Tech in Computer Science & Engineering (AI/ML) — 2024 – 2028
ITS Engineering College, Greater Noida

- Specialization in Artificial Intelligence & Machine Learning.
- Active participant in technical projects and hackathons.
