Summary

Motivated Computer Science Engineering student with a strong foundation in Python, Data Structures & Algorithms, and Object-Oriented Programming. Passionate about software development and continuously improving problem-solving skills through projects and coding practice. Eager to apply technical knowledge in a challenging internship and contribute to real-world software development while learning from experienced professionals.

Experience

Diploma in Computer Science Engineering — 2022-2025
Dhar polytechnic College dhar

- Current CGPA: 7.9
- Relevant Coursework: Data Structures, Algorithms, OOP, python

Bachelor of Technology (B.Tech) in — 2025-2028
Shushila devi bansal college indore

- Current CGPA: 8.0
- Relevant Coursework: Data Structures, Algorithms, OOP, python

Projects

- TF-IDF Text Analysis Project
- Student Management System using Python
- Library Management System
- Calculator using Python
